I believe those were created because the original authorizations were expired. But the locations were still there and unserviced. Perhaps we can add that somewhere in the notes next time. There was a posting notice earlier this week for Saturday. I did not send a separate communication since the locations were submitted in February. I updated the 3/30 locations because all of those are new. Thanks for signing, we will make do with what we can.

Hi Sarah,

LAHSA has signed the locations that were on the OT list you sent in February. I cannot sign the two that were created earlier this week. 190318003 and 190318004.

I was unaware of the Saturday clean-up in CD 15 today. Did I miss that communication? I received the list for next Saturday, so those will receive outreach by the end of next week.

Matthew is out of the office all next week so if there is anything that went to him without me on it, please forward to me.

Subject: Fwd: Confirmation - SATURDAY - MARCH 23RD, 2019

Good morning,

I did not hear anything from anyone that LAHSA would be unable to sign, these locations were all on the original list from February. I know several were not available yesterday for signature. Would it be possible for someone to sign this morning, provided outreach was completed?

Please advise.

Thank you,

Sarah
